On creation of a new Github repository, you are prompted to choose a license. For more information, Github provides the helpful site `http://choosealicense.com`

## esoteric licenses

As with all things open source, there are esoteric options. Whether practical and extreme, or impractical and goofy, esoteric licenses exist. Examples include:

## beerware

"THE BEER-WARE LICENSE" (Revision 42):
¡phk@FreeBSD.ORG¿ wrote this file. As long as you retain this notice you
can do whatever you want with this stuff. If we meet some day, and you think
this stuff is worth it, you can buy me a beer in return.
